The Cadet Creed

I am an Army Junior ROTC Cadet. I will always conduct myself to bring credit to my family, country, school and the Corps of Cadets. I am loyal and patriotic. I am the future of the United States of America. I do not lie, cheat, or steal and will always be accountable for my actions and deeds. I will always practice good citizenship and patriotism. I will work hard to improve my mind and strengthen my body. I will seek the mantle of leadership and stand prepared to uphold the Constitution and the American way of life. May God grant me the strength to always live by this creed.

National Anthem

Oh, say can you see, By the dawn's early light, What so proudly we hailed, At the twilight's last gleaming? Whose broad stripes and bright stars, Through the perilous fight, O'er the ramparts we watched, Were so gallantly streaming. And the rocket's red glare, The bombs bursting in air, Gave proof through the night, That our flag was still there. Oh say does that star spangled banner yet wave, For the land of the free, and the home of the brave.
